

# A Kind Of Magic

Arranged for classical guitar.

Note: This is not a note by note transcription even though I tried to stay close to the record. Some parts surely require practicing, especially the syncopated parts in the Chorus. Certain parts of the arrangement (eg the bass line or chord voicings) can be altered/simplified.

## Intro:

```

*           *           *           *
|-7-----/7-----5-----/5-----3-----/3-----1-----h1--0---|
