

Electric Fire

Words And Music by Roger Taylor

The intro is in F (as bass-note)

I've got the pressure on...

C G
Pressure from above Pressure from below
Am C
I can't think straight or even go with the flow
F G C
I've got the pressure on

(C) G
Analysts here, therapists there
Am C
You ain't getting me sitting on your chair
F G C
I've got the pressure on

(C) G
The price is not right or open to debate
Am C
Besides I'm worried about my weight
F G C
I've got the pressure on

Chorus:

(C) Am
It's a signal, it's a sign
G F
It's a symptom of the time
C Am
It's a warning, it's a gauge
G F
It's a feature of the age

C
Politics, schmolitics
G
I'm developing tics, clean out of tricks
Am
Like a skin flick, just a little sick
C F G
So where's the kick?
C
I've got the pressure on

C
I think about you, I think about me
G
We grew up but we don't feel free
Am C
Is this where we wanted to be
F G
It's not you, it's gotta be me

Chorus (as above)

Interlude in F

Chorus (as above)

Repeat these chords till end:
C, Am, G, F

(ends on F)
